Technical Assistance for the Treatment of Healthcare waste

Publication ref.: EuropeAid/128425/C/SER/RS

Tender no.: 08SER01/31/11

No	Question	Answer
1	If a company decides to participate in this tender as a consultant for the Hospital Waste procedures, would it be unable to participate then if it gets awarded in the next tenders related to Hospital Waste available in the country?	A company cannot participate in a tender for technical assistance if it had been involved in preparing the project as such (writing the terms of reference) as this is a clear conflict of interest. Should this not be the case, there is no limitation to the number of tenders a company can be awarded, providing its offer proves to be the most advantageous technically compliant one.
