
Legend:

1. Parking for vehicles at the entrance zone
2. Check in lodge
3. Weighbridge
4. Weighbridge roof structure
5. Desinfection tub
6. Recycling yard
7. Administration building
8. Parking for employees' vehicles
9. Workshop
10. Hall for separation of delivered waste
11. Hangar for baled waste and secondary raw material
12. Hangar for hazardous waste
13. Plateau for traffic
14. Plateau for construction waste
15. Plateau for disposal of vehicles
16. Parking for dirty vehicles
17. Tire wash system
18. Covered plateau for vehicle wash
19. Well for tehnical water supply
20. Tehnical water reservoir
21. Substation
22. Green ares
23. Landfill gas flare unit
24. Area envisaged for MBT
25. SBR
26. Separator
27. Leachate lagoons
28. RO plant
29. Treated water reservoir
30. Pump station for dicharge into recipient
31. Facility for electrical installations
32. Composting plant for biological waste
33. Landfill body

UTILITY PLAN OF REGIONAL LANDFILL
1:1000
