**“Standardised system for judiciary education and training – Ministry of Justice
Republic of Serbia ”**

Publication ref.: EuropeAid/127294/C/SUP/RS

Tender no.: 07SER01/03/13

No	Question	Answer
1.	LOT 1. IT EQUIPMENT, ITEM NO 1. <i>Front Interactive LCD for setup, monitor, maintain of server – Do you need both LCD console and KVM switch in the rack?</i>	No. The “...Front Interactive LCD for setup, monitor, maintain of server...” is deleted and not required.
2	According to Annex II for companies that can participate in the IPA Projects, after verification of the Lisbon Treaty companies from Israel may participate in the projects. Does this mean that the origin of the goods may be from Israel?	According to Article 19(5) of the IPA Regulation: <i>5. All supplies and materials purchased under a contract financed under this Regulation must originate from the Community or a country eligible according to paragraphs 1 or 2.</i> <i>1. Member State, a country that is a beneficiary of this Regulation, a country that is a beneficiary of the European Neighborhood and Partnership Instrument, or a Member State of the European Economic Area.</i> <i>2. Participation in the award of procurement or grant contracts financed under this Regulation shall also be open to all natural persons who are nationals of and legal persons who are established in any country other than those referred to in paragraph 1, where reciprocal access to their external assistance has been established.</i> As a consequence, goods may originate from Israel.
