<u>Project Duration:</u>	05 July 2012 to 04 July 2015
<u>Contracting Authority:</u>	European Union Delegation to the Republic of Serbia
<u>Contractor/Consultant:</u>	Consortium with Hulla & Co Human Dynamics KG as leading partner
<u>Country:</u>	Republic of Serbia
<u>Project Partner/Beneficiary:</u>	Ministry of Education, Science and Technological Development (MoESTD)
<u>Project Contract:</u>	3,659,800 €

Overall Objective

To contribute to human capital development through strengthening the “knowledge triangle”: education – research – innovation, as well as to enhance the effectiveness of the educational system in Serbia, thus contributing to a better overall level of knowledge, skills and competences in the society.

Purpose

To improve primary and general secondary educational and the teacher training system as a way of contributing to economic and social development.

Project Components

1. To develop a National Curriculum Framework in primary and general Secondary education
2. To enhance teachers’ professional development, develop and deliver training to at least 13.000 teachers with a special focus on lacking competencies of teachers (e.g. transversal competencies)
3. To build up a sustained relationship between research in education, education policy and practice, this assists also in monitoring education reforms and continuously improves education policies
4. To establish 38 Practice Schools as teaching bases for professional development of teachers and to have them appropriately equipped.

Geographical Coverage

Project activities will take place on the territory of the Republic of Serbia.

Major Target Groups

1. Main target institutions and organisations under the Project – Ministry of Education, Science and Technological Development and other state institutions in charge of education aspects
2. (gymnasium and VET-general education subjects only), as well as education experts/researchers/practitioners and professionals in education policies
3. School principals, advisors, and other pedagogical staff including pedagogical assistants

This project is funded by the European Union and implemented by a Consortium led by Hulla and Co, Human Dynamics K.G.
