(Project duration September 2012 – September 2014)

The overall objective of the project is to enhance the social inclusion of persons with mental disability and mental health disorders. The project consists of three components:

1. Transformation plan for residential and psychiatric institutions and development plan for the cross-sectoral community-based social and health services created.
2. Implementation of Transformation & Development Plans strengthens capacity at national and local level to improve range and quality of cross services for de-institutionalization of persons with mental health disorders.
3. Support to the Grant Scheme¹ for provision of community based social and mental health services.

Objectives of the assignment

The objective of assignment of assessors is to assist the EU Delegation to the Republic of Serbia in selecting the best proposals in line with the criteria set for the ‘Support for de-institutionalisation and social inclusion of persons with mental disability and mental illness’ Call for Proposals on the basis of well documented high-quality assessment process.

As provided in the PRAG, the evaluation of the applications submitted will be implemented in two consecutive steps:

Step 1: Concept note (CN) evaluation of administratively compliant applications.

Step 2: Full application form (FAF) evaluation of applications provisionally selected after Step 1.

The Assessors will report directly to Senior Grant Scheme Expert (SGSE) from the ‘Support for de-institutionalization and social inclusion of persons with mental disability and mental illness’ project.

The working language of this assignment is English.

The evaluation steps to go through and the evaluation grids to be used by the assessors in the CN-evaluation and FAF-evaluation are presented in details in the Guidelines for Applicants.

Detailed description of the expert’s assignment (Terms of Reference) for the position of Inter-sectorial Coordinator is available at www.otvorenizagrljaj.rs, under the section for job opportunities.
