**Support Human Capital Development and Research -
General Education and Human Capital Development
(RAZVIONICA)**

Support Human Capital Development and Research is a development project funded by the European Union. Its objective is to contribute to human capital development through strengthening the “knowledge triangle”: education – research – innovation, as well as to enhance the effectiveness of the educational system in Serbia, thus contributing to a better overall level of knowledge, skills and competences in the society.

The project began in July 2012 and will have a lifetime of three years. The project team is based in Belgrade, but we operate across Serbia.

We are currently seeking the following Short-term Experts:
